

**BUS SERVICE NOTICE**

August 24, 2016

The International School of Ulaanbaatar provides a bus service for our students if they live inside the bus route boundaries. The boundaries are set as follows: South end – Green Villa in Zaisan, West end – Golomt town, North end – School #5, East end is District 15.

If you request the bus service for your children we will choose **the nearest possible place** to pick up your children in the morning and take them back to the same stop after school. If your children have Co-curricular activities (CCA) after the school they will be taken home after the activities.

**After reviewing confirmation of your request** we will notify you with a letter that tells you the time and stop where your children would be picked up and dropped off.

PLEASE Note that **due to the busy traffic we cannot guarantee that the drop off time will be accurate.** This means your child's riding home time may be longer than an hour.

The school bus will start dropping off students from the stops nearest to the school.

Also **buses do not have supervisors** so if you are parents of pre-kindergarten student you need to know that your child will ride the bus with older students.

You can request bus service for the Academic year or for the Semester. See the prices.
